Tami,

The meeting is going to be held in a home that has no telephone service only GCI service and no internet.

If we can set a time like 2 p.m. Alaska time which would be 3 p.m. pacific time May 29th would that work?

I'll figure out a way to let this happen if your agreeable to the time.

Bobby

Good Morning Bobby,

We appreciate the invitation to travel and attend the UTBB board meeting, however we would like to propose that we meet by phone with the UTBB Board. This way we will be able to have additional team members on the phone to answer any questions regarding the assessment that the leadership may have. We could walk through the powerpoint that was given for the tribes and have ample time for discussion. Would this be something that would work for the UTBB?

Please let me know if this would work and what time would be best. I will make sure to organize as many team members as possible. We could use the webinar technology to walk through the revised assessment as well as our EPA teleconference line.

I am working from an alternate work location today and can call you if you would like to discuss this further.

Respectfully,
Tami

Thanks Bobby,

Rick and I will get back to you shortly in regards to your request and whom we might be able to send for EPA.

Respectfully – Tami

Importance: High

Tami,

Sorry I didn't answer immediately. I had problems with my computer not being able to send into the late afternoon.

We didn't have the teleconference as planned May 20th and Meeting on the 28th is still on.

The Chairman and I talked about your presence and he very happily said INVITE THEM. Since the 28th is going to be the business meeting your presence in Dillingham on the 29th will be perfect for consultation.

The business meeting will be held at the end of the Wood River Road in our vacant home. But location for the consultation may be changed to accommodate more tribal governments.

Once again sorry for not responding quickly and hope you will be able to make it on such short notice.

Bobby

Hi Bobby,

I thought I would check in to see if the UTBB made any decisions about consultation with EPA next week?

Thanks! Tami

Rick and Tami,

United Tribes of Bristol Bay will be having a teleconference session on May 20th and their board meeting is going to take place on the 28th.

I'll pose the question if they would like EPA's presence on the 28th during their teleconference.

Your all doing an excellent job and THANK YOU from the bottom of my heart.

Bobby
